

THE UNIVERSITY OF NORTH ALABAMA

STUDENT FINANCIAL AID CONSORTIUM AGREEMENT:

- Consortium agreements are a binding agreement between schools which enables a student to receive federal aid from The University of North Alabama while being enrolled as a student at another school. The university from which a student intends to earn a degree is called the 'home institution', while the other school is considered to be the 'host institution'.
- **Students must be enrolled in a minimum of 3 credit hours required for their degree program at UNA if they are requesting UNA to process federal aid awards based on the consortium agreement.**
- Students should only complete a consortium agreement when they have enrolled in at least three credit hours at UNA during the term of the agreement for the purposes of receiving financial aid based on the combined credits at both schools. **If the student withdraws or drops below half time they may lose eligibility for some or all of the awarded financial aid. Students are advised to contact the Student Financial Aid office to determine any effects on their financial aid prior to withdrawing from any courses.**

There are four sections to the agreement, all of which must be completed in full before the agreement can be processed. Students and advisors please review the information and instructions below for assistance in completing this form.

Student Checklist:

- ___ Complete Section I of the agreement.
- ___ Meet with your academic advisor or department representative to have Section II completed.
- ___ Make sure you are meeting Satisfactory Academic Progress requirements and you are enrolled in a degree seeking program and meet all other financial aid eligibility requirements according to UNA policy.
- ___ Contact your host school's Office of Student Financial Aid to have Section III completed and follow up later to make sure the completed form has been forwarded to UNA's Office of Student Financial Aid.
- ___ It is recommended that you coordinate the completion of the agreement between all parties. The completed agreement must be submitted to UNA's Office of Student Financial Aid for your award to be reviewed. **Partial or incomplete agreements are not accepted and will not be processed.**
- ___ Check with your host school to determine when its enrollment fees must be paid. Even if payment is due prior to financial aid being disbursed at UNA, you may be obligated to pay your host school in a timely manner.

UNA Academic Advisors:

- The purpose of a consortium agreement is to allow The University of North Alabama to consider the enrollment hours and costs to attend another school for the purposes of receiving federal aid while making progress towards completing an academic degree.
- Academic advisors or departmental representatives must certify that the courses listed in the agreement are transferable and applicable toward the student's degree requirements.
